

EventPower Long Island Tri Tour Championship Series

Earn the Long Island Triathlon Tour Age Group Championship Series Title!

EventPower is bringing you the opportunity to score against other racers of the Long Island Triathlon Tour. This is a competition for everyone, age groupers included! You must participate in two races to qualify.

How it works: At each EventPower triathlon, all participants will receive points. Points will be distributed by age group. Everyone will receive points, the top 10 people in each age group will receive points from 100 down to 48, and then all additional participants will receive 45 points each. If you race in three EventPower Triathlons, your top two races will count. MightyMan Festival of Races points will be worth more!

See how you stack up against your age group across multiple races throughout Long Island!
